Setting new standards in business travel protection

As a corporation that operates on a global stage, employee protection while travelling is always a major consideration. Global Travel Protection offers a comprehensive and valuable range of insurance cover including Accidental Death and Permanent Disability, as well as multi-lingual global assistance services on a 24/7 basis.

It is not just about fulfilling your duty of care to your employees, but having this plan as part of your standard benefits package can give you a real advantage in recruiting and retaining the best people. It may also open up new opportunities abroad for your organisation by encouraging mobility.

The new generation of business travel protection is here - why not talk to a member of Generali about Global Travel Protection today?

Insurance and assistance beautifully put together

Generali is one of the largest companies in the world*. Its specialist companies operate not only in the provision of competitive, high-quality insurance, but also in the field of travel assistance. What that means for Generali clients is that they benefit from higher cost control and flexibility as a result of the collaboration between fellow Group companies.

Generali is uniquely placed to deliver this simpler, smarter solution to clients across the globe through their international insurance and assistance networks.

By combining their expertise in both insurance and assistance, they have created a compelling global travel solution.

* 2017 Fortune Global 500, based on 2016 revenues.

Accidents do happen!

It is inevitable that international travel carries a degree of risk to the individuals involved.

Global Travel Protection provides cover against the consequences of Accidental Death and Permanent Disability caused by an accident.

Medical and travel insurance services

Travellers are exposed to many situations where Global Travel Protection can provide valuable practical help and support, wherever and whenever it is needed – from compensation for the inconvenience of luggage being lost in transit, through to serious medical issues that may require the most appropriate hospital treatment in a critical timescale. In these circumstances, the service would also include the best repatriation solution.

A wide range of cover and services

Here are just a few of the key areas providing peace of mind for employees whenever they travel on business.

- Accidental Death and Permanent Disability caused by an accident
- Emergency medical expenses and transportation
- Repatriation of the insured person
- Loss of luggage and personal effects
- Funds advance, bail bond and payment of lawyers' fees
- Lost or stolen ID cards or travel documents
- Personal liability during a business trip.

These, and many others, are available to employees travelling on company business round the clock, 365 days a year.
